About SAAA

The Premier Voice of Singapore's Air Cargo Industry

Founded in 1985, the Singapore Aircargo Agents Association (SAAA) serves as the representative body for airfreight forwarding companies in Singapore.

We work closely with government agencies, international aviation bodies, and industry stakeholders to advance the interests of our members and ensure Singapore remains a leading air cargo hub in Asia.

Training History

HISTORY

SAAA Cargo Services Pte Ltd (SCS), was formed as an investment arm of SAAA. Among its diverse activities, SCS undertakes cargo clearance permit processing service, sale of the trade development Board's revenue stamps, providing cargo insurance coverage for shipments and issuing Certificate of Origin. Training courses are also gradually being transferred to SCS from SAAA. SCS is now accredited by the International Air Transport Association (IATA) as an Authorised Training Centre to conduct course.
